Autumn Term - Issue 3: Friday 27th September 2019

'Have a simple meal and give so that water can be close to home.' We will be finding out more

about Fabio's story at our annual Harvest Assembly on Thursday 10th of October. Amber Class will be visiting you next week to tell you more about how we will be collecting for CAFOD & The Manna Society!

"don't just be on time - be early!"

This Week's Winners!

INFANTS

Ruby - 100%

JUNIORS

Amethyst - 100%

Sienna-Maria Copeland

Taline Muika Yalele

Emily Atanassova

Marianne Lessore

Theron Walcott

Brandy Bongole

Szymon Laskowski

Orla Vaughan

Lloyd Boateng

Iyobosa Osarumwense

Jayah Uter

CONGRATULATIONS!

House Meetings

Last week the four houses of the school had their first house meetings with the newly elected House Captains. During these meetings we spoke about how we can earn more house points both in class and at lunchtime. We welcomed our new year 3 house members and gave them their starter packs (which included some very useful stationery items, house prayers, information about our house saints and a branded wrist band in house colours!). Did you know that the reason the house cup was introduced was to help us increase our social skills and develop our teamwork, whilst having lots of fun earning points!

By Romeo (SF) & Jacob (SB)

"FOR IT IS IN GIVING THAT

WE RECEIVE."

SHARING

Diary dates -

Tuesday 1st October -

Flu Immunisations

Thursday 3rd October -

Junior Mass - New School Year -11.30am

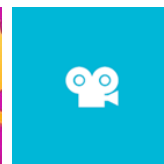

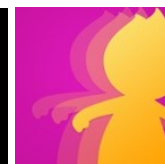

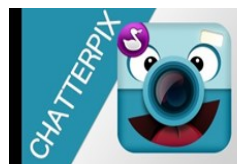

Friday 4th October -

CAFOD Family Fast Day

Get Creative!

It's great to use technology to unwind, relax and catch up on our favourite shows and games, however we can also use it in different ways. Some ideas include using you tube (with parental permission) to watch video tutorials about how to build/make/create something new. Some fun apps for kids include Chatterpix, animation apps such as istop motion or Stop Motion where children can use their toys to make their own animation. Also try garage band to become your own composer and then make up a dance routine, film or song and share with your friends and family. As always check security setting before you click share!

Next week's Highlight!

JADE CLASS

Making hedgehogs from autumn leaves collected from our forest!

OPAL CLASS

Learning a great stone age song and writing our own verses!

Sapphire Class

Learning the Makaton signs for members of our family!

RUBY CLASS

Creating our very own Family Tree!

Nursery Class

Making an Owl Baby display!

Posting our letters to Beegu!

PEARL CLASS

TOPAZ CLASS

Science experiment - Making our own water filters!

EMERALD CLASS

Creating a mini volcano for our rocks topic!

AMBER CLASS

Creating portraits celebrating Black History month!

AQUAMARINE CLASS

AMETHYST CLASS

Making our Mongolian shelters!

TURQUOISE CLASS

Science investigation - Best insulators and conductors!
