Summer Term - Issue 27 : Friday 25th May 2018

We all enjoyed our parties to celebrate last weekend's Royal Wedding. We came to school dressed in red, white and blue. The Infants enjoyed a 'street party' whilst the Junior classes shared party food, enjoyed playing party games and dancing. We were all cooled down with a lovely refreshing ice-lolly to celebrate!

Year 2 and Year 5 enjoyed a visit from the London Fire Brigade Education Team. During our interactive educational workshop, we learnt about preventing, detecting and escaping safely from fire in the home. We also discovered that for a fire to start and grow it requires 3 things: Fuel, Oxygen & Heat. This is known as the fire triangle. Did you know ... Fire is one of the leading causes of accidental injury amongst children? So to share what we learnt during our session and help to keep others safe we created fire safety posters in ICT.

Diary dates:

School breaks today for half-term
We re-open on Monday 4th June 2018

Monday 4th –8th June

Friendship

"Jesus' friendship with us is a priceless gift which encourages us to follow him." Pope Francis

Year 5 - Reading Champions

Last week, class 11 went to Reception to visit their reading buddies. The children, big and small, enjoyed sharing stories written by the year 5 pupils. Each story book had been carefully planned, drafted and published before being ready to present to a very special audience, Class 1. Class 11 even starred in their own creations by acting out key scenes from their stories and taking photographs, which were then inserted into the books. We are all looking forward to returning for another
