Summer Term Issue 30: Friday 23rd June

“Dear Young Friends, be brave. Let us learn to face difficulty with courage, certain that the Lord never fails to give his support.” *Pope Francis*

Netball Festival - La Retraite School

On Wednesday 21st June we went to La Retraite for a netball competition. We had to play other schools and even though we hadn't played against other schools before, we all tried really hard. The matches were tough! Although it was our first time in a netball competition we did very well and remembered all the rules to the game. This was a lovely experience for all of us especially for those who are going to La Retraite. Everyone played the best we could. Our final positions were - Team A came fifth out of six and Team B came fourth out of six. We were really happy that we had been given this opportunity as we all can't wait to join secondary school and be part of their netball teams. All the girls that are going to La Retraite met the netball coach who said she expects to see us all at Monday night training. She also said we were all very polite and she could see a great improvement in us as the day went on. By Juana, C13

On Wednesday, we went to Epsom College for the Surrey County Kwik-Cricket final. It was an exciting event because we got to play against lots of other amazing teams. We didn't manage to win, but we tried our hardest. My favourite part was playing schools from a different area and not just our local schools. Sean, Class 13

On 21st June, ten children from Year 6 went to Surrey to compete in the Surrey County Kwik-Cricket finals at Epsom College. Once we arrived, the cricket leader announced our match pitches (there were 9 in total) and we were on pitch three batting first! The other team were tough to beat and the score was very close but sadly we didn't win. Playing against such a good team made me work really hard and I learnt a lot from watching the other teams play in between matches. We had so much fun! We even got a T-shirt to take home. Lucy C13
